*January 19, 2023*

*Dear Superintendent Castle,*

*The 2023 Varsity Boys Lacrosse Team is requesting Board of Education permission to attend a spring break trip to Philadelphia, Pennsylvania from Saturday, April 1, 2023 to Wednesday, April 5, 2023. The enclosed packet contains information and a tentative schedule for the trip. We are looking to practice and participate in several games and scrimmages against schools from Pennsylvania.*

*This trip will not only serve to improve our physical skills but will be a valuable and memorable team culture building experience that will last a lifetime. Our strong positive culture has already led us to tremendous on field and personal success and this trip will only strengthen our bond and further cement the culture we continue to build.*

*Many parents and families have already given their full support and are currently planning fundraising activities. We anticipate bringing around 25 student-athletes. We are all very excited for this opportunity. Many of our student athletes have never competed against players from Pennsylvania and it should be a good barometer for where we stand on a national level. Additionally, we plan on visiting multiple college campuses while in Philadelphia, so students can see what is available in the area. This also gives them an opportunity to increase their recruitment efforts.*

*With the necessary approval, we can begin preparing for the upcoming season.*

*Thank you for your time and consideration.*

*Very Respectfully,*

*Alex Danon*
