

Wellness Committee – January 5, 2021

The Wellness Committee met on January 5, 2021 via Zoom. Each building discussed the continual emphasis on connecting with students as well as looking for ways to keep students active not only during physical education. The District is currently serving about 370 students with “At Home” meals and that equates to an average of 740 “At Home” meals a day being served (breakfast and lunch). The next committee meeting is scheduled at 3:30 p.m. on April 13, 2021.
