Concert Program Personal Dedications

S.O.M.E. (Supporters of Music Education) is a group of parents and teachers working together to musically enrich the lives of students in the Wallkill Central School District. As part of our efforts, we have provided funding for the Summer Music Program, the grand piano in the high school auditorium, and scholarships for graduating seniors.

One of our annual fundraising activities is offering space for personal dedications to music students. To make a dedication, please complete the form below and return it with payment by November 2nd. Your dedication will be printed in all district music programs for one year, beginning with the winter concerts in December. Thank you for your continuing support!

Each dedication costs \$5 for up to 75 characters (including spaces and punctuation). Exceeding 75 characters will require the purchase of an additional dedication. **Please make checks payable to: S.O.M.E** PLEASE PRINT VERY CLEARLY!!!!!!

Return this portion with payment

Concert Program Personal Dedication -\$5.00(75 characters- One character per box)

Your name: _____ Phone: _____

Name of Student (s) _____

School Building _____

Dedication:

Return to any Wallkill CSD music teacher or mail to:
